

Dale's Pale Ale

America's first hand-canned craft beer is a voluminously hopped mutha that delivers a hoppy nose and assertive-but-balanced flavors of pale malts and hops from start to finish. First canned in 2002, Dale's Pale Ale is a hearty (6.5% and 65 IBUs), critically acclaimed trailblazer that has changed the way craft beer fiends perceive canned beer.

Mama's Little Yella Pils

Oskar Blues' newest beer is an uncompromising, small-batch version of the beer that made Pilsen, Czech Republic famous. Unlike mass market "pilsners" diluted with corn & rice, Mama's is built with 100% pale malt, German specialty malts, and Bavarian hops. While it's rich with Czeched-out flavor, its gentle hopping (35 IBUs) and low ABV (just 5.3%) make it a luxurious but low-dose (by Oskar Blues standards) refresher.

Old Chub

This jaw-dropping Scottish strong ale (8% ABV) is brewed with bodacious amounts of malted barley and specialty grains, and a dash of beechwood-smoked malt. Old Chub features a skim-milk mouthfeel, semi-sweet flavors of cocoa and coffee, and a kiss of smoke. A head-turning treat for malt heads and folks who *think* they don't dig dark beer.

GORDON

Our "Velvet M-80" is a luscious, double-red ale with a gooey aroma, a sticky mouthfeel, a malty middle and unctuous hop flavors. Gordon also sports a surprisingly comfortable finish for a beer of its hefty size (8.7% ABV, 60 IBUs). It's brewed in tribute to Gordon Knight, a Colorado craft beer pioneer and Vietnam vet who died fighting a 2002 wild fire outside of our Lyons hometown.

TenFidy

This titanic, immensely viscous stout is loaded with neck-deep flavors of chocolate, malted milk, cocoa and oats. The beer equivalent of decadent chocolate milkshake, Ten FIDY (10% ABV) is made with enormous amounts of two-row malt, chocolate malt, roasted barley, flaked oats and hops. The ultimate celebration of dark malts and boundary-stretching beer.
